FINAL STATEMENT

Private
Joshua Cleverly Co. G. 11th
14th Regt of Kentucky Vol Inf

VOLUNTEERS.

Disch Dec 28. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, *do.*, due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and should be taken a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay for his services, the clothing account, and all other charges due him, as well as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the balancing portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, *do.*, are sent by the St Auditor of the Treasury Department.

NOTE 4.—Changes of rank or injury to soldiers, horse equipments, and other miscellaneous changes, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the master roll on which the discharge, death, desertion, *do.*, is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Concerning 3d Division Army of Headquarters

Personal

I hereby tender my
resignation as Colonel of the 14th Regiment - Kentucky
Volunteer Infantry to take effect immediately for the
following reasons viz
1st - I have been

10. I have been

I have been in the Army for twelve months
and have undergone a great deal of fatigues
and exposure. And am apprehensive that
continuing in the service any longer might
become injurious to such an extent - that some
dangers are incalculable in after life to make a
surrender for my wife and a few children who are
entirely dependent on me.

2nd. I feel perfectly satisfied that my place
can be filled by some one more competent
than myself in which case the service
would not be lost.

Hoping the above account may be
 entirely satisfactory and that you will
 soonably receive the acceptance
 of the resignation of H.

Sir

I wish to obtain from
you the Major and commanding the Department a
Passbook for thirty days to commence at such a time
as the General commanding this Division may
deem it not incompatible with the interest of the Service
I have been with my Regiment ever since my
appointment, with the exception of a few days
during which time I was confined to my bed
with fever. I have had to perform for the last
few weeks the duties of all the Field officers
the remainder of them being sick and unfit
for duty. I am this morning in order that
I may visit my Family and account my
health which to some extent has become
impaired from constant labor.
 Hoping you will recommend the granting
of the Passbook as a favor

War Department.

Adjutant General's Office.

Washington. April 21, 1887

This man deserted on or about Dec 2

1862, but as he returned to the service on or about

March 24, 1863, under the President's Proclamation dated March 10, 1863, and appears to have

complied with the conditions thereof (so far as not waived by the Government), the charge of desertion

no longer stands against him. The record of the fact

that he was absent in desertion from on or about

Dec 2, 1862, to on or about Mar 24

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veteran, etc., etc., in the volunteer service. They will be made out in duplicate
in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer
who pays bounty, etc. The Regiment and Company to which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A recruit must, in all cases, precede payment of pay, bounty, pension, etc. A recruit-in will must, in all cases, be filed
in the Adjutant General's Office as evidence of receipt. The recruiting officer, commissary, or assistant commissary of recruits, as the case may be, will countersign both
enlistments on having introduced the soldier into the service of the United States before either of them is given to the recruiting officer.

VOLUNTEERS.

Dec July 21. 1854

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 2.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to contents, and other miscellaneous charges, should appear under "Other Charges."

NOTE 2.—Bounty paid by State of _____, United States, will not be entered on this statement.

NOTE 2.—Amounts due the Seller and Licensee must be shown on the master bill on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 2.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, or duplicate, to the Adjutant General, Washington, D. C.

VOLUNTEERS.

Dis' Cor 12/64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount must be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington.

FINAL STATEMENT

R. 95.

OF

Enoch P. Cruik on B

14th Reg't of Hy. Infantry

VOLUNTEERS.

Dis. Aug 10. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adj. Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Lieutenant must be entered on the muster roll on which the discharge, death, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased Volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

DUPLICATE WITH INVENTORY SENT 2d AUDITOR

R. 48. 1864

FINAL STATEMENT

OF

Act. John D. Culver

Act. 4. Regt of Reg. Infy.

VOLUNTEERS.

Disch Dec 24. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of the muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are noted by the Ad Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, baggage, &c., or other miscellaneous charges, should appear under "Miscellaneous Charges."

NOTE 5.—Bounty paid by State authorities, &c., should be noted on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be noted on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the account cannot be liquidated from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

Descriptive List sent to Ad. Gen. 2d Aug 1864

Jonny's Feb'y '62, is removed. He was
absent without leave at the muster
of Feb'y 28/62 - exact period of ab-
sence not ascertainable from records.

He was tried by a genl. C. M. con-
vened at Louisa, Ky. Feb. 20/63,
for desertion. Specification: In this,
that x x x did on or about Dec. 25/62,
desert and go a regt, and remain away
for the space of one month and twenty
days. This at Danville, Ky.

He was found guilty and sentenced
to forfeit to the U.S. two months pay,

each day, with fifty pounds
attached, and with placard
attached with the word "deserter"
written thereon.

The proceedings, findings & sentence
were approved and promulgated by
Brig. Genl. J. Whitt.

As this man was convicted of desertion,
the proceedings, findings & sentence
of which were approved & promulgated
by competent authority, the charge of
desertion no longer stands against
him. The record of the fact
that he was absent in desertion from
Dec. 25/62 to Feb'y 14/63, cannot,
however, be expunged.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. They will be made out in duplicate in all cases—one to accompany the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in will count, in all cases, as that in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. Enlistments of volunteers, etc., etc., in the regular service. They will be made out in duplicate in all cases—and to accompany the recruiting returns of the recruiting agent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment binds to service. A recruit-in must, in all cases, precede payment of pay, bounty, pension, etc. A recruit-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of receipt. The recruiting officer, commissary, or assistant commissary of recruits, as the case may be, will counter-sign both enlistments on having received the soldier into the service of the United States before either of them is given to the recruiting officer.

Sir

The attached resignation
of 2nd Lieut. Davenport 14th Reg. Vols. is respectfully
forwarded, in the condition in which it was
received, that it may speak with regard to his
attainment. I recommend its acceptance on the
ground taken by the Colonel of benefit to the
service, which from what has been told me
I feel confident would accrue. There is a
single question upon the subject worthy of consid-
eration, a large number of the best officers unable
to procure short leaves of absence, are anxious to
resign to attend to their private affairs. And
unless some stigma is attached to the discharge
of an poor officer, with whom we gladly dispense
it is offering a premium for worthlessness to

accept resignations on their grounds—

The mustering officer, commissary, or assistant commissary of musters, or the one may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
